RE: NOTIFICATION OF HAZARDOUS WASTE SITE  
OMB No. 2000 0138

Dear Sirs:

Enclosed please find completed forms and exhibits for site locations for the 4 areas that have been used as landfill sites by the City of Wenatchee.

The locations are, to the best, of our knowledge, all facilities owned or operated at any time by this City which have received for disposal material that could have included material now defined as hazardous waste by EPA. Unless expressly stated otherwise, such listing does not represent that any of such facilities have received for disposal any particular type or quantity of hazardous waste. Nor does such listing in any way represent or imply that any such facility has at any time received or disposed of any hazardous waste in any manner not fully consistent with all federal, state or local requirements applicable at the relevant time.

Sincerely,  
DEPARTMENT OF PUBLIC WORKS

Norman L. Delabarre,  
Acting Director of Public Works
